

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Please protect the free media, the ability for the common citizens to hear a balanced representation of all news, which can only be done with a diversified media. The country is moving dangerously in the direction in which a very few, with their own special interests, control everything.
